Tena Koutou, e hoa ma. Ngā mihi kia koutou.

Dear Parents, Caregivers and friends of the school.

I would like to start by welcoming the following new tamariki and families who have joined our St John Bosco School Community recently:

Ruma Puriri

Harvey Snowden joins his big sister Everly at school

Ruma Koromiko

Hudson Perham-Bird joins his big sister Addie at school

Freddie Vercoe joins his big brother Joshua at school

Nau mai haere mai ki te kura o Hato Hoani Paukau - St John Bosco School. May God bless you on your educational journey with us. We will nurture and grow your children and enable them to be the best version of themselves everyday on their journey to reaching their full potential.

It has been a term littered with success across multiple sectors of school life and one we should all be incredibly proud of. Week 1 began with our Noho Marae stay - the first time we have stayed at Owae Marae in over a decade and it was an amazing learning experience and real privilege. Hearing some of our students say it was the best thing they have ever done was pretty neat too!

On Wednesday our Year 5 & 6 interschool team travelled out to Waitara East to play rugby, netball and football. It is an amazing school out there and they do hospitality and mihi whakatau like nobody else. We came out on top in all games. The highlight for me was the rugby game, with our team coming back from 26-0 down to eventually win 47-41. The resilience (physical and psychological) and determination shown was outstanding and I know that both myself and some of the parents at the game felt like that is the best game of rugby we have seen played in a while with all of our boys really stepping up and looking after their mates when they were really tested. There are still a couple of other schools that need to complete games but it looks like we are a good chance of qualifying for the semi finals in both rugby and netball early next term. We had a very strong football team and the fact that they have just missed out on semi finals shows how strong the competition has become in football.

Now is a good time to thank all of our parent coaches and managers for our winter sports teams. This term we have had 3 interschool teams, 2 senior basketball teams, 4 junior miniball teams, 9 netball teams, 4 hockey teams while we took 5 ripa rugby teams to the recent Y5/6 tournament. None of these teams can operate without a coach and manager so it is great community support that enables our children to be so active.

You will know we have also had ERO in the past month. We have received our preliminary findings and there is so much to be proud of. The piece of feedback that really stuck with me was that learning was so clearly visible in our classrooms. As always our children were our greatest advocates, with our student leaders being so articulate during their meetings with them and showing how engaged and committed they are to learning during classroom observations. Soon the report will be publicly available and we can pass that on as soon as it is.

School attendance rates seem to be in the media a bit at the moment with the government goal being to have 80% or children attending 90% of the time or more (no more than 5 days off). It may be of interest to you that in Term 1 we met that goal at 80% exactly. As of today we are on track to make the 80% again which was described to me recently as 'outstanding'. So well done everyone, I think we have all earned a holiday!

And finally, we farewell Mr Felix Page, who is off on a big journey - his overseas experience (OE) and Mrs Tara Pike who begins an even bigger journey - that into motherhood. Both have made an indelible mark on our kura during their time here at each end of our school. We know Felix will enjoy himself, learn and grow from the experience and he knows he always has a home here. And we are all so excited for Tara and GJ as they prepare for the birth of their first child. We know they'll be fantastic parents and we can't wait to meet baby as soon as it's up to some school visits!

Have a great school holidays.

Ngā Mihi Aroha,
Ryan Fleming

POPE LEO'S PRAYER INTENTION for JUNE 2025 : For the Faithful:

Let us pray that each one of us might find consolation in a personal relationship with Jesus, and from his Heart, learn to have compassion on the world.

YCC DAY - Thank you

YCC day is a day promoted by the Bishops of New Zealand. On this day all Catholic Schools wear mufti to raise money for a Catholic School somewhere else in the world that needs our help. For YCC Day today we are off to Kiribati. This year we are supporting St Leo's School which is in desperate need of permanent classrooms for learning in.

Thank you for your kind donations. We raised \$369.40 for St Leo's school today.

PUANGA

Puanga

The new light of Matariki has risen!
 May it be to you a sign of resurrection and new life.
 May it be to you a sign of hope in times of darkness.
 May it be to you a sign of the wondrous mystery of Atua who loves you.
 May it be to you a sign that the eyes of the Eternal One are ever upon you and that the presence of the Holy One is ever with you.
 And may this be the cause of your rejoicing.
 Go in peace.
 Through Christ and in the perfect unity of the Holy Spirit, we pray. Amen

Suzanne Aubert Birthday 19th June

Venerable Suzanne Aubert New Zealand's First Saint in the Making.

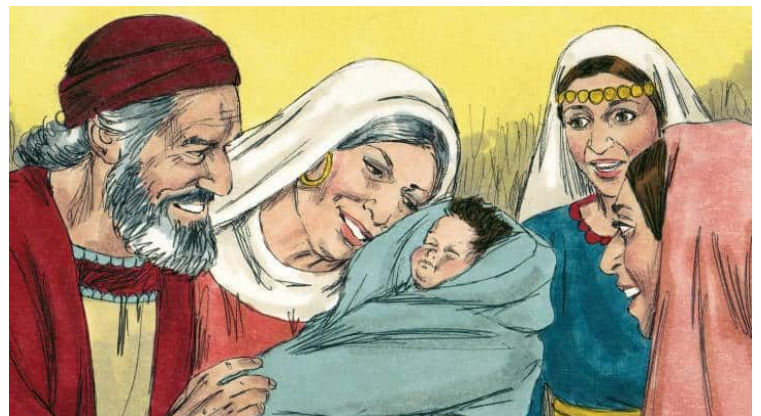

Since Suzanne Aubert's death on 1 October 1926, people from all walks of life have acknowledged her goodness and holiness.

Today, she lives on in the hearts and minds of New Zealanders and people throughout the world as the process continues for the Catholic Church to recognise her as a holy person or saint.

24th June The NATIVITY of ST JOHN THE BAPTIST

John the Baptist was the son of Elizabeth who Mary visited when she was pregnant with Jesus. John was a miracle baby since his parents were too old to have children. An angel appeared to John's father in the temple and told him that John would be born. John's nativity is a very real and beautiful story. It is a story of hope.

World Youth Day 2027 | Expressions of Interest

The diocese is taking expressions of interest for those young people who are thinking about attending World Youth Day (WYD) in Seoul, South Korea in 2027.

The theme of this next WYD is "Take courage! I have overcome the world." Pope Leo will be there.

Pilgrims for this WYD need to be older than 18 to travel with the NZ group. We anticipate an early August 2027 time frame, but we are still waiting to hear officially.

This expression doesn't lock anyone in to going, but it means we have a group of people to communicate with going forward.

ERO Review – A Positive Report

We're thrilled to share that SJB recently underwent an Education Review Office (ERO) audit, resulting in an immensely positive report.

ERO acknowledged the outstanding work of our staff, students, and wider community. The report recognised high achievement across all curriculum areas and praised our teaching approaches – a true reflection of our shared commitment to excellence in education.

Support from Outside Agencies

The BOT is grateful for the many outside agencies working alongside us to nurture the future leaders of SJB. These include: MOE (Ministry of Education), RTLB (Resource Teachers: Learning and Behaviour), SLT (Speech-Language Therapists), OT (Occupational Therapy), and Te Whatu Ora (Health NZ). Their expertise helps support our tamariki in a holistic and meaningful way.
