Tena Koutou, e hoa ma. Ngā mihi kia koutou.

Dear Parents, Caregivers and friends of the school.

As term 3 draws to a close we get a chance to reflect on a hugely successful term in multiple facets of school. There is much to celebrate.

The change in curriculum and consequent reporting to whānau has been a significant scheme of work, at all levels. I am incredibly proud of our staff and students for how they have taken on the challenge. The standard is very high, we all know that now, and I know that all children are learning, making progress and more competent and skilled than they were at the start of the term. Our staff and leadership team are absolutely driven to maximise learning time and help our children reach their full potential. We often talk about how fortunate we are to have such great parental support.

The St John Bosco School schooling experience is, of course, about more than just academics. A genuine encounter with Christ and the education of the whole child through values education taught via the Catholic worldview is what we are really all here for. This term's value focus has been co-operation. We want our children to pursue their own standards of academic excellence but for them to do well and be well in life it is critical they develop the ability to work well with others for common goals and the common good. Good relationships are a key tenet for wellbeing and valuing co-operation and wanting to be good at working well with a range of people is a great first step towards that for our children and, in fact, all of us. Our school value next term is Service. Funnily enough, serving others for the sake of serving and for wanting nothing else in return is a pretty good start to that relationship building too.....

Cross Country was a real success this term. I was so proud to see our students digging in and committing to their own personal excellence. I am always most impressed with those children who are not our 'star' runners but still put in the effort. This tells me these children set their own personal standards of effort, irrespective of what those around them are doing and gives me great hope for their future. We have also had wonderful success for our talented runners. You can see a list of those who finished in the top 20 at the New Plymouth Cross Country on page 10 as well as a list of our Taranaki Cross Country team (the biggest team ever). I really want to thank Ms Lynskey for the conditions she creates in PE that enable our children to succeed. Athletics next term!

Term 4:

Term 4 is always a full-on one for Primary Schools and this coming one will be no different. November the 5th is Parihaka Day and we will be putting down a Hāngi again. Keep an eye out for notices about that in the near future.

Enjoy the weekend and avoid the bugs!

THE POPE'S PRAYER INTENTION for September 2026 For the care of water.

Let us pray for a just and sustainable management of water, a vital resource, so that everyone may have equal access to it.

WELCOME SPRING !

God of the earth and sky, as the winter frosts thaw in Aotearoa, we thank You for the bright kōwhai blooms and the return of the tui's song. Just as the land bursts into new life, we pray for renewal in our own lives, communities, and across our beautiful country. Amen

We remember, awesome God, that on the last day of creation, you rested and told us to do the same. Give us rest from our routine this spring holiday break. Fill us with joy. Keep us safe and be with us as we play together and enjoy quiet time alone. We thank you for days of work and learning and days of play and rest. Help us to love you and to love each other. Amen

Thank you for your generous donations on our Wacky Hair mufti day in Social Justice Week. We raised \$315.70 for CARITAS to help them to empower communities in need both here at home and around the world.

ROSARY - Month of October

Catholics have been given a very special gift in the rosary. The month of October each year is dedicated to the Holy Rosary. It is based on incidents in the life of Jesus and Mary. The use of beads or knotted ropes to count large numbers of prayers comes from the earliest days of Christianity. However, this way of prayer precedes Christianity. The development of the rosary as we know it today has gone through many stages. Christian Monks used this method to pray the Psalms. Today the rosary consists of in total 150 Hail Marys, divided into three sets of 50, which are further divided into five sets of 10 (a decade).

The rosary tells the story of Jesus' life in four parts:

The Joyful Mysteries - tell us about Jesus' birth and his early life

The Sorrowful Mysteries - teach us about the suffering and death of Jesus on the cross

The Glorious Mysteries - are about Jesus' resurrection and the glorious life that awaits us in heaven

The Luminous Mysteries - tell about Jesus' ministry when he went out to teach people about God.

***The first three weeks of Term 4 we will be saying the Rosary everyday.
Tamariki may bring their own rosary beads if they wish.***

Messages from the Diocese

World Day of Migrants and Refugees

Sunday 27 September 2026 marks the **112th World Day of Migrants and Refugees**. In his message for this year's observance, Pope Leo XIV highlights the plight of children and young people forced to flee their homes because of war, poverty, violence, environmental disasters, and other crises. He reminds us that migrant and refugee children are among the most vulnerable, often facing trauma, exploitation, separation from loved ones, and dangerous journeys.

Read Pope Leo's message for the 112th World Day of Migrants and Refugees at <https://www.vatican.va/content/leo-xiv/en/messages/migration/documents/20260811-world-migrants-day-2026.html>

Season of Creation 2026: Living Water

From 1 September to 4 October, Christians around the world will celebrate the Season of Creation, an annual time of prayer, reflection and action for our common home. This year's theme, *Living Water*, is inspired by Ezekiel 47:1-12, where God's life-giving river brings healing, renewal and abundance wherever it flows.

Resources can be found at www.tumanako.pndiocese.org.nz/2026/08/season-of-creation-2026-living-water

Could you be a St Carlo Missionary?

St Carlo Acutis' feast day is October 12 and this year we celebrate only his second feast day as a saint.

Were you inspired by St Carlo during the relic mission or have you found yourself drawn to his love for Jesus and the Eucharist?

Over the next four weeks, we invite you to pray and notice whether God might be stirring something.

Prayer: *St Carlo, help me to love Jesus as you did. Pray that I may recognise the gifts God has given me and have the courage to use them for His mission. Amen.*

National Centennial Mass for Venerable Meri Hōhepa Suzanne Aubert

All are invited to a special Centennial Mass marking 100 years since the passing of Venerable Meri Hōhepa Suzanne Aubert, celebrated by the Catholic Bishops of Aotearoa New Zealand at St Mary of the Angels Church, Wellington, at 2pm on Sunday 4 October 2026. The Mass will honour Meri Hōhepa's enduring legacy of service, particularly her work among Māori and with society's most vulnerable people.

MISSION SUNDAY 100TH CELEBRATION

The Catholic Church around the world will mark the 100th Mission Sunday on October 18.

The day is set aside to pray for the Church's mission and to support those who carry the Gospel to places where hope is fragile, where faith is young and where believers often face hardship or persecution. That support can be financial and through prayer.
